Government Vouchers

It's been brought to our attention that not everyone is aware that we accept the Government tax free childcare vouchers. Visit the government website for more information and eligibility.

SUNCREAM

Please ensure a labelled sun cream is sent into nursery so that we can apply it before the children go out to play.

Thank you

FLYING START

We are still in the process of registering to be a Flying Start setting for 2 year olds. This will commence in September 2025.

If eligible, this means your child will receive funding the term after they are 2.

The link to apply online is now live and you can check to see if your post code is now eligible for funding. (Link below)

We will provide more details once we have them. Watch this space.

Please visit for more info and application process.
