Day Nursery

July 2025

Pre School Graduation

We will be celebrating the children's graduation from Monkey and Lion room during our Graduation Week. (7th -11th July)

We are planning a week of activities and celebrations for the children.

We would like to take this opportunity to wish them all the very best as they begin their next chapter. We will miss them all very much xx

Parent/Carer Evening

Our Parent/Carer evening has been cancelled. The purpose of the evening was to visit your child's next room. You can still do this before they transition to their new room. Just contact the office to arrange this or if it quiet on drop off ask the staff on the door.

Starting School Nursery

Please let us know which school they will be attending and a starting date, once you have been informed.

If you know the date of your last day at nursery please inform the office.

We can then prepare information to help support the transition into their new school. We also welcome school staff to the setting to visit your child. Thank you in advance.

FLYING START

We are in the process of registering to be a Flying Start setting for 2 year olds.

This means your child will be eligible for funding the term after they are 2. The funding will be deducted from your invoice total.

We will provide more details once we have them. Watch this space.
